3RD EDITION

Organization Design

The Practitioner's Guide

Naomi Stanford

This new and updated third edition of Organization Design looks at how to (re)design an organizational system in order to increase productivity, performance and value. This edition has an enhanced international focus, and includes new material on organization design theories, the role of leaders, public sector organizations, and evaluation.

Aided by a range of pedagogical features and downloadable resources, this book is a must-read for students or practitioners involved in organizational design, development and change.
